ONLINE REGISTRATION FORM: <https://www.simplyregister.net/register/?e=118349>

Online Registration will end on Tuesday, May 12, 2020

Registration will NOT be available at the games.

Transportation Between Host Hotel And Competition Venue

The LOC will **NOT** provide transportation. Athletes and coaches are responsible for their transportation.

50th Tri-State Wheelchair and Ambulatory Games - May 22-24, 2020

CLASSIFICATION:

Important: National classification appointments for track and field are reserved for U.S. citizens only. If you are a citizen of another country and you have never undergone classification evaluation you must first obtain proof of citizenship in the U.S. before you will be scheduled for classification evaluation by a U.S. National classification panel.

The Tri-State Wheelchair and Ambulatory Games will be providing National classification in track and field. In order to participate, you must be classified in each sport you wish to compete in. If you have not been classified you will be notified of your classification time. Classifications will be held on Friday, May 22 (During the afternoon/evening) and Saturday, May 24 (During the morning) for those competing in track and field events. If an athlete is not a U.S. Citizen the athlete will go through the classification process but he or she will be given a temporary classification to compete at the Tri-State Wheelchair and Ambulatory Games. New athletes competing in archery will also be given a temporary classification before the start of the archery competition event.

Athletes with Physical Impairments

All athletes in need of a National classification evaluation for track and field must fill out a National Medical Diagnosis Form. **National classification at the Tri-State Wheelchair and Ambulatory Games will only be offered for track and field.** The National Medical Diagnosis Form does not need to be filled out by a doctor, but can be filled out by the athlete or parent who can give information on the athlete's eligible impairment. The form should clearly define which of the eligible impairment(s) the athlete has and supporting documentation should be provided to verify the underlying health condition or origin of the impairment(s). This will help classifiers in different ways: One, it eliminates athletes who sign up for classification evaluation who are not eligible for competition. Two, it will assist the classifiers in preparing for the athletes who will be evaluated at the meet. The **US Paralympics National Medical Diagnosis Form for Physical Impairment** can be found at the end of this document (After the Simply Register Online Registration Instructions). The complete form must be returned to the USOPC Classification Manager at npcusaclassification@usopc.org by **Wednesday, May 6, 2020**. The US Paralympics will review the form and then sent to the National classifiers that are working the Tri-State Wheelchair & Ambulatory Games event for review and determination of eligibility to receive a classification appointment.

Athletes with Visual Impairments

All athletes with a visual impairment that have not been classified must submit the **US Paralympics National VI Medical Diagnostics Form** along with supporting documentation related to the diagnosed eye condition as outlined on the medical diagnosis form at least **four weeks prior to competition** to the USOPC Classification Manager at npcusaclassification@usopc.org to receive their national classification. This form must be completed by athlete's ophthalmologist. The **US Paralympics National Medical Diagnostic Form for Visual Impairment** can be found at the end of this document.

Athletes with Intellectual Impairments

Athletes with an intellectual impairment competing in track and field at the Tri-State Wheelchair and Ambulatory Games must contact Athletes Without Limits <http://www.athleteswithoutlimits.org/eligibility> to apply for eligibility to obtain their national classification. Refer to the **Eligibility - ID Athletes W-O Limits Form** at the end of this document.

Tri-State Wheelchair & Ambulatory Games – Schedule of Events

Athletes must be checked in by the start of the competition or he/she will not be able to compete that day.

Athletes with personal field implements must present all implements at weigh-in room 90 minutes prior to start of the field competition.

20th Kessler Foundation Wheelchair 10K

Kessler Foundation presents the 20th Annual Wheelchair 10K, the wheelchair division of the Fred d'Elia Ridgewood Run held on Memorial Day, Monday, May 25, 2020 in Ridgewood, NJ at Graydon Park & Pool – 218 Northern Pkwy, Ridgewood, NJ 07450.

This event is one of the largest integrated races in the country, as wheelchair athletes compete on the same course, at the same time, as the runners. **Racers compete for \$15,900 in cash prize awards!** Wheelchair racers from around the world will kick-off the series of seven events that comprise the Fred d'Elia Memorial Day Ridgewood Run. With the support of the North Jersey Masters, the Kessler Foundation Wheelchair 10K has grown to one of the largest 10K's in the country. Other event sponsors include: EZRide and North Jersey Navigators. The Wheelchair 10K begins at 8:15 am, with registration check-in opening at 7 am. Registration is \$25 per racer. All participants will receive a commemorative t-shirt. Kessler Foundation will host a brief awards ceremony with refreshments immediately following the Wheelchair 10K.

The Kessler Foundation will be providing shuttle transportation between the host hotel Fairfield Inn & Suites Paramus Hotel and Graydon Park (Kessler Wheelchair 10K start/finish line). The Kessler Wheelchair 10K Online registration closes on Thursday, May 21. If you wish to register after that date, please email the Kessler Wheelchair 10K Race Director, Angela Smith at ASmith@kesslerfoundation.org or 973-324-8448.

The Online application for the 20th Kessler Foundation 10K can be found at the following link:

<https://kesslerfoundation.org/wheelchair-10k-registration-2020>

About Kessler Foundation:

Kessler Foundation is the largest public charity supporting people with disabilities. Kessler Foundation Research Center improves the quality of life for people with physical and cognitive disabilities through rehabilitation research in its six specialized laboratories under the leadership of noted research directors--Human Performance & Engineering Research, Neuropsychology & Neuroscience, Outcomes & Assessment Research, Spinal Cord Injury Research, Stroke Rehabilitation Research, and Traumatic Brain Injury Research. While the staff of each laboratory has expertise in a particular area, collaboration often enhances progress toward finding ways to overcome the obstacles faced by people with disabilities caused by brain injury, spinal cord injury, multiple sclerosis, stroke, arthritis, and other chronic neurological and orthopedic conditions.

Kessler Foundation Program Center focuses on solutions to address the persistently high rates of unemployment among people with disabilities. Through strategic funding and philanthropic leadership, Kessler Foundation has invested more than \$40 million in programs to increase the participation of individuals with disabilities in the workforce. Creating job opportunities through development, placement, employer education, and social enterprise has enabled greater independence and economic self-sufficiency. Kessler Foundation Program Center provides assistance to community organizations that create employment programs or integration opportunities for people with disabilities. Grant recipients include national and local organizations whose missions complement that of Kessler Foundation.

50th Tri-State Wheelchair and Ambulatory Games - May 22-24, 2020

9. Continue answering the questions and click Next.

The screenshot shows the 'Add-Ons' step of the registration process. The top navigation bar includes 'New Registration' and 'Manage My Registration'. Below it, a progress bar shows 'Registrant', 'Events', 'Add-Ons' (highlighted), 'Review', 'Checkout', and 'Receipt'. The main content area has a section for 'Preferred Classification Appointment for Tri-State Games (Check the Option)' with three radio button options: 'National - Track/Field - Friday, May 24, 7:15-9:15', 'National - Track/Field - Saturday, May 25, 7:30-9:00', and 'National - Track/Field - Saturday, May 25, 9:45-11:00'. Below this is a dropdown menu for 'If you are a visually impaired athlete, are you...'. There is a text input field for 'Alternate Phone Number' with a placeholder '000-000-0000 x000'. A dropdown menu for 'Are you a veteran? *' is also present. A text input field for 'Please specify if you have any food allergies or dietary restrictions' contains the text 'Peanuts and dairy'. Below this is a paragraph of text: 'I authorize sponsors of the Tri-State Wheelchair & Ambulatory Games to take and use photographs of me/my child during the meet for publicity and use in programs for future meets. Such photos may appear on social media, websites or promotional material.' followed by a dropdown menu with 'Yes' selected. At the bottom are 'Back' and 'Next' buttons. Callout boxes provide instructions: 'Specify if you have any food allergies or dietary restrictions. The LOC will do their best to accommodate your request' points to the allergies field; 'Permission to Photograph/Video Authorization' points to the photo authorization text; and 'Click Next' points to the 'Next' button.

10. Review the registration information. Check the box next to each waiver to indicate you have read, understand and accept the terms. Scroll down to continue reviewing the registration.

The screenshot shows the 'Review' step of the registration process. The top navigation bar is the same. The progress bar highlights 'Review'. The main content area is divided into two columns. The left column, titled 'Registrant', shows the information entered: Name: Joe Doe, Address: 123 ABC Street, #1 Jersey City, NJ 07305 USA, Phone: 201-123-1234, E-mail: joedoe@comcast.net, Sex: male, Date of Birth: July 17, 2000, Citizenship: USA, Affiliation: Team ABC. There is an 'EDIT' button next to the Registrant section. The right column, titled 'Waivers', has a checkbox for 'Release of Liability *' which is checked. Below the checkbox is a paragraph of text: 'In consideration of acceptance of this entry form, I hereby for ourselves, our heirs administrators assigns, waive and release any and all claims against Adaptive Sports USA, Tri-State Wheelchair Association, Kessler Foundation, North Jersey State Athletic Club, Pascack Valley Regional High School District, and any co-sponsoring entities, all of their officers, members, officials, volunteers, agents, employees for all injuries and/or expenses incurred by me/us at the Tri-State Wheel-'. At the bottom is a 'Back' button. Callout boxes provide instructions: 'Release of Liability Check Box' points to the 'Release of Liability *' checkbox; and 'Click the Edit Button if you need to change any of the Registrant information entered at the beginning of the registration' points to the 'EDIT' button.

13. If registering another athlete click "Add a new registrant" and repeat the steps to register another athlete. Otherwise, click "Checkout".

The screenshot shows the 'Listing of Registrants' page. At the top, there are tabs for 'New Registration' and 'Manage My Registration'. Below these are navigation tabs: 'Registrant', 'Events', 'Add-Ons', 'Review', 'Checkout' (active), and 'Receipt'. The page content includes a heading 'Listing of Registrants', a note 'Click on a name to update that person's registration; or click the Checkout button to go to checkout. Registrations in **bold** have not been saved yet', and a list of registrants: '>> Joe Doe', '>> Joe Doe', and '>> Add a new registrant'. A callout box points to the 'Add a new registrant' link with the text: 'Click "Add a new registrant" link if you are registering another athlete, otherwise, click "Checkout"'. Another callout box points to the 'Checkout' button with the text: 'Click "Checkout" if you are not registering another athlete'. The 'Checkout' button is at the bottom right.

50th Tri-State Wheelchair and Ambulatory Games - May 22-24, 2020

14. Enter the payment information and check the box to authorize SimplyRegister to collect the payment. Enter the email address for the payment confirmation and the registration confirmation & receipt. Click Finish.

Other Information

National Medical Diagnostics Form

Dear Athlete:

This form is a guide to collect information needed for national classification evaluation. In order to be eligible to be scheduled for a national classification appointment the athlete **MUST** have an eligible impairment as per the International Standard for Eligible Impairments. For additional information and to view the full IS for Eligible Impairments visit the [IPC Website](#). For a list of eligible impairments by sport please visit the [U.S. Paralympics website](#).

There are ten eligible impairments for Para Sport:

1. Impaired muscle power
2. Impaired passive range of movement
3. Limb deficiency
4. Leg length difference
5. Short stature
6. Hypertonia
7. Ataxia
8. Athetosis
9. Vision impairment
10. Intellectual impairment

Classification evaluation is usually done in conjunction with a competition and is conducted by a panel of medical and/or technical classifiers [panels are defined by each sport within their respective classification rules].

Classification evaluation will usually include a physical assessment (may be called a “bench test”) and a technical assessment using competition equipment on the field of play. Evaluation may also include observation in competition depending upon the sport and relevant sport rules.

If you are an athlete with a visual or intellectual impairment, you do not need to complete this form. Athletes with a vision impairment, must submit the [visual medical diagnostics](#) form to the USOPC at NPCUSAclassification@usopc.org. Forms must be submitted at least 2 weeks in advance of any Para sport competition where you expect to participate. Athletes with an intellectual impairment should complete the application at [Athletes Without Limits](#) to obtain a national classification.

National classification appointments are reserved for U.S. citizens only. If you are a citizen of another country and you have never undergone classification evaluation you must first obtain proof of citizenship in the U.S. before you will be scheduled for classification evaluation by a U.S. national classification panel. If you have undergone classification evaluation in another country nationally or internationally [when international data is NOT included on the respective IF Masterlist] you must provide proof of sport class(es) and sport class status before the competition in the United States where you intend to compete.

Please send all completed forms to the USOPC at NPCUSAclassification@usopc.org or by fax at 719-866-2029 at least 2 weeks prior to competition.

Athlete Name:**Gender:****Email Address: Athlete or Parent/Guardian****Date of Birth mm/dd/yy****List the Para sport(s) the athlete competes in:****Is the athlete a U.S. Citizen?****What is your current Classification Status**

NP

There are 10 eligible impairments that the IPC recognizes for eligibility to compete in Paralympic Sport. The International Standard for Eligible Impairments provides examples of what disability may fit into each impairment type. If you do not know which impairment type you are in please review the standard for eligible impairments on the [IPC Website](#).

Type of Impairment (select all that apply)

Impaired Muscle Power

Impaired Passive Range of Movement

Limb Deficiency

Leg Length Difference

Hypertonia

Ataxia

Athetosis

Vision Impairment

Short Stature

Intellectual Impairment

What is the Athlete's Medical Diagnosis (Underlying Health Condition or Origin) causing the selected Impairment(s)?

Brief description of Athlete's Impairment including body parts affected areas and limitations. Examples of information to include:

- Athletes with a spinal cord injury or spina bifida, please include at what level and if the SCI is complete or incomplete. (i.e. SCI complete L7 or spina bifida L3-L4)
- Athletes with Cerebral Palsy, please include what type (i.e. Ataxia, Athetosis, Hypertonia).
- Short stature please include your height.
- Athletes with surgeries specifically related to your impairment (i.e. tendon transfers, rods inserted/removed, etc.) please list each surgery type including the date it was performed

Please answer the following questions:

Is your impairment congenital or acquired?

☐ Congenital ☐ Acquired

If acquired, please include the date:

Do you have a latex allergy?

☐ Yes

☐ No

Do You have a shunt?

☐ Yes

☐ No

Is your Impairment:

☐ Stable ☐ Progressive ☐ Fluctuating

Please attach relevant supporting medical documentation that confirms the athlete's medical diagnosis or details the degree of impairment

Please return completed forms to the USOPC at NPCUSAcclassification@usopc.org If you have any questions about this form please contact us via email or at 719-866-4240.

**U.S. PARALYMPICS
CONSENT FORM FOR VISUAL IMPAIRMENT CLASSIFICATION**

Explanation:

For an athlete to be eligible to compete in U.S. Paralympics competitions the athlete must be classified by classifiers appointed by the NPC (National Paralympic Committee) or the IPC (International Paralympic Committee) / Sport IF (International Federation).

Failure to cooperate with the classifiers or failure to complete a classification may lead to ineligibility to compete in U.S. Paralympics or IPC/IF approved/sanctioned competition.

The following is an agreement by the athlete to undergo the testing procedure.

I _____ (**printed name of the athlete**) wish to be classified on national level for U.S. Paralympics competition.

I understand that the classification process involves the necessary eye tests. I understand that to be classified I must be willing to take part in all portions of the testing procedure and cooperate fully with the classifiers / optometrist / ophthalmologist.

Signature of Athlete: _____

Witness Signature: _____

Must be parent/guardian if athlete is under age 18

Date and Location: _____

Send completed forms to USOPC Classification Manager at NPCUSAcclassification@usopc.org
or by fax at 719-866-2029.

Medical Diagnostics Form for athletes with Vision Impairment

The form is to be completed in English and by a registered ophthalmologist.

All medical documentation required on pages 2-3 needs to be attached.

The form and the attached medical documentation may not be older than 12 months at the time of the Athlete Evaluation.

	Right eye	Left eye
With correction		
Without Correction		

Type of correction: _____

Measurement Method: _____

Visual Field:

In degrees (diameter)	Right eye	Left eye

Attachments to the Medical Diagnostic Form

1. Visual field test

For all athletes with a restricted visual field a visual field test must be attached to this form.

The athlete's visual field must be tested by full-field test (120 degrees) and a 30 degrees, 24 degrees or 10 degrees central field test, depending on the pathology.

One of the following perimeters should be used for the assessment: Goldmann Perimetry (Intensity III/4), Humphrey Field Analyzer or Octopus (Interzeag).

2. Additional medical documentation (mandatory)

Please specify which eye condition the athlete is affected by.

Eye condition	Additional medical documentation <u>required</u> (see below)
<input type="checkbox"/> Anterior disease	none
<input type="checkbox"/> Macular disease	<ul style="list-style-type: none">▪ Macular OCT▪ Multifocal and/or pattern ERG*▪ VEP*▪ Pattern appearance VEP*
<input type="checkbox"/> Peripheral retina disease	<ul style="list-style-type: none">▪ Full field ERG*▪ Pattern ERG*
<input type="checkbox"/> Optic Nerve disease	<ul style="list-style-type: none">▪ OCT▪ Pattern ERG*▪ Pattern VEP*▪ Pattern appearance VEP*
<input type="checkbox"/> Cortical / Neurological disease	<ul style="list-style-type: none">▪ Pattern VEP*▪ Pattern ERG*▪ Pattern appearance VEP*

Athlete: _____

The ocular signs must correspond to the diagnosis and degree of vision loss. If eye condition is obvious and visible and explains the loss of vision, no additional medical documentation is required. Otherwise the additional medical documentation indicated in the above table must be attached to this form. If the medical documentation is incomplete, the classifiers will not be able to allocate a sport class.

***Notes on electrophysiological assessments (VEPs and ERGs):**

Where there is discrepancy or a possible discrepancy between the degree of visual loss, and the visible evidence of ocular disease the use of visual electrophysiology is often helpful in demonstrating the degree of impairment.

Submitted data should include the report from the laboratory performing the tests, copies of the original data, the normative data range for that laboratory, and a statement specifying of the equipment used, and its calibration status. The tests should be performed as a minimum to the standards laid down by the International Society for Electrophysiology of Vision (ISCEV) (<http://www.iscev.org/standards/>).

A Full Field Electrophysiology (ERG) tests the function of the whole retina in response to brief flashes of light, and can separate function from either the rod or cone mediated systems. It does not however give any indication of macular function.

- A Pattern ERG tests the central retinal function, driven by the macular cones but largely originating in the retinal ganglion cells.
- A Multifocal ERG tests the central area (approx. 50 degrees diameter) and produces a topographical representation of central retinal activity.

A Visual evoked cortical potential (VEP) records the signal from produced in the primary visual cortex, (V1), in response to either a pattern stimulus or pulse of light. An absent or abnormal VEP is not in itself evidence of specific optic nerve or visual cortex problems unless normal central retinal function has been demonstrated.

- A Pattern appearance VEP is specialised version of the VEP used to establish visual threshold which can be used to objectively demonstrate visual ability to the level of the primary visual cortex.

<input type="checkbox"/> I confirm that the above information is accurate.	
<input type="checkbox"/> I certify that there is no contra-indication for this athlete to compete at competitive level.

AAI status signed by Physician (See Athlete Application Page 3) and copy of AAI exam results if available. 	<p>There is not a separate class for Down Syndrome in Paralympic sport.</p> <p><i>Athletes with Down Syndrome who also meet the criteria for II-1 Intellectual Disability may be classified in that class to be eligible for Paralympic events.</i></p>	<ol style="list-style-type: none"> Athletics/Track & Field Cycling (AWL Only) Equestrian (AWL Only)* Rowing (AWL / National)* Skiing (AWL Only)* Swimming Table Tennis Taekwondo (AWL Only)* Tennis
Virtus II-3: High Functioning Autism	Athletes with (High Functioning) Autism who have: <ol style="list-style-type: none"> A Full-Scale score IQ of 76 or higher, OR no diagnosis of intellectual disability, and; A formal diagnosis of Autism, ASD or Aspergers Syndrome <p><i>Note: Athletes with Autism who meet the criteria for II-1 Intellectual Disability will be classified in that class.</i></p>	EVIDENCE REQUIRED: <ol style="list-style-type: none"> A formal diagnosis (or confirmation of previous diagnosis) of Autism, ASD or Asperger's syndrome, carried out by a licensed psychologist, using accepted diagnostic techniques such as ADOS, ASRS, ICD-10 Criteria for Autism, and background history, etc Athletes should include IQ and Adaptive Behavior assessments to confirm they do not meet criteria for Intellectual Disability. 	<p>There is not a class for High Functioning Autism in Paralympic Sport.</p> <p><i>Only Athletes with Autism who meet the criteria for II-1 Intellectual Disability are eligible for Paralympic events.</i></p>	<ol style="list-style-type: none"> Athletics/Track & Field Cycling (AWL Only) Equestrian (AWL Only)* Rowing (AWL / National)* Skiing (AWL Only)* Swimming Table Tennis Taekwondo (AWL Only)* Tennis (AWL Only)*
<p>*Virtus (formerly Inas) began piloting two additional eligibility groups II2 & II3 to be recognized at VIRTUS events where viable.</p> <p>The sports and event s offered by Virtus events and criteria for these groups and will be revised/expanded as the pilot progresses.</p>				

Sports Eligibility for U.S. Athletes with Intellectual & Developmental Disability

Who's Who in Virtus & Paralympic Sport?

Virtus : World Intellectual Impairment Sport (formerly Inas) is the International Federation responsible for managing and overseeing the eligibility process for athletes with intellectual impairment wishing to compete at VIRTUS and Paralympic competition. Virtus is a founding member of the International Paralympic Committee (IPC) and hosts World & Regional Championships, Global Games and other International events open to athletes with intellectual impairment in 10 sports from 3 Eligibility Groups: Intellectual Disability, Down Syndrome, and High Functioning Autism.

Athletes Without Limits (AWL) is the sole US Member of Virtus (formerly Inas) and oversees US athletes' applications for Virtus & Paralympic sports eligibility for intellectual and developmental disability sports classes. After an athlete's eligibility application is complete and endorsed by our US Eligibility Psychologist, we submit it to the Virtus Eligibility Committee for International confirmation. Athletes Without Limits selects and organizes US Teams participating at Virtus World & Regional Championships & Global Games and hosts National and Virtus International Championships in the U.S.

The International Paralympic Committee (IPC) is responsible for overseeing the Paralympic Games, World Championships and Sports Specific Classification. In 2010 the IPC recognized a class for athletes with Intellectual Disability in select events in three sports: Swimming, Track & Field and Table Tennis.

U.S. Paralympics overseas **US Paralympic Swimming & US Paralympic Track & Field** sports-specific classification, team selection and US held competitions. The first step toward U.S. Paralympic eligibility for athletes with Intellectual Disability is to apply to Athletes Without Limits. After athletes receive eligibility confirmation, Athletes Without Limits will assist those interested in obtaining an IPC License from U.S. Paralympics.

USA Table Tennis (USATT) overseas US Paralympic Table Tennis sports classification, team selection and competitions. The first step toward Paralympic eligibility is to apply for eligibility with Athletes Without Limits.

World Taekwondo has partnered with INAS to manage eligibility for P20 class athletes with intellectual impairment competing in Para World Taekwondo events. Athletes must be confirmed eligible by Athletes Without Limits (and Virtus) prior to entering competition. Most events require *Provisional International* or *National Level* as the class develops.)

USA Taekwondo (USAT), the US member of World Taekwondo, is recognized by the The United States Olympic Committee as the National Governing Body (NGB) for the sport of Taekwondo in the United States. The first step toward eligibility for Para Taekwondo Class P20 (Intellectual Impairment) is to apply for eligibility with Athletes Without Limits.
